

RETREAT THEME:

Who do you say I am? Jesus once asked that of his disciples and He now asks that of you. He is the most significant figure this world has ever known. He is loved, hated, yet never ignored. So everyone has an opinion, but what is your opinion? Who is Jesus? This weekend we will explore that question by looking at it through the eyes of others. We will explore different encounters between Jesus and a range of people and situations. The goal is a deeper understanding in your life, and a clear answer to the question of eternity: *who do you say Jesus is?*
